

## **LA Muscle**

### Description:

LA Muscle is one of the World's leading manufacturers of sports supplements with branches in 4 continents, supplying over 50 countries in the world. At LA Muscle you can find a massive range of full IOC & FDA approved sports supplements as well as a more hard-core range. We take quality very seriously and can assure you that there are not too many companies that manufacture in anything even remotely similar to our FDA-Approved PHARMACEUTICAL GRADE manufacturing plant - remember, most other companies, including some of the biggest in the world manufacture only to "food grade".
